WHITE

## DESIGN INTEGRATION

The WireWorks Anti-Climb framework is a raceway for wiring, conduits and/or security cabling required around the perimeter of a project. This integrated design eliminates the need for costly trenching and boring, becoming a value-added solution for perimeter security upgrades.

**When installing these security elements, use WireWorks Anti-Climb as a platform:**

- Communication & Video Cables
- Access Control Wiring
- Intrusion Detection / Fiber-Optic Cables
- Conduits
- Anti-Ram Cabling (Stalwart)

(Inside of rail shown above / view from protected side)

# FABRICATION & DESIGN

WireWorks is Ameristar's premier line of welded wire fences and gates, perfect for projects that require unobstructed visibility. This fence system combines anti-climb and anti-cut resistance with aesthetics to deliver a value-added fence solution.
